Dear Jennifer,

I recieved your letter
saying you were coming home
on leave the 2 April that will
be fine. Then we can talk
things over. How we want
to do the right thing. If you
are so you say you are for
you are the one that should
know. Darling if it is my
kid I would want it too
but if it wasn't I wouldn't
want anything to do with
it. You know there is always
a chance to get a divorce
and I would get one and
marry you. We can talk
this over and make plans
I won't tell your mother for I
know it really would upset

her and I really think a
 lot of your family. I will be
 off duty the 3rd april and
 I can meet you somewhere.
 We wouldn't want to tell
 them until after we were
 married would we? Is your
 say it happens in the best
 of families. Its just one of
 those things. I believe you
 will make me a good
 wife. Better than the one I
 have, I can't help but love
 you for I believe we were
 meant for each other. I
 will send you a pound and you
 can get yourself some Cigarettes.
 I am just about broke but
 I will divide with you
 looking for I know how

44

you must feel, I am
writing this letter after I
have thought things over
and faced the facts I
believe that you will be
true to me and love me
and make my house a
cheerful place where I can
be proud to live with you.
You are a very pretty girl
or at least you are to me.
I know that between us we
can work something out and
the suit is for you to be my
country wife. ~~darling meet me~~
~~at the head of the granery~~
~~in Cotton at 7 o'clock in~~
~~the afternoon the 3rd April.~~
Take care of yourself darling
for our sake. Always
Love
